Please give a brief description (max. 500 words) of how your professor impacted your educational experience at Western Illinois University. This could be a story, an overview of your experience in the class, or anything else that would make the academic committee understand how your professor made your collegiate experience better. Some categories to think about are innovation in the classroom and your professor's personal investment in the class. The top nominees will be honored on Friday, April 3rd at 3pm. **Applications Due March 6th.**
